WELCOME TO GOEL CAMPUS & GIPS

It gives us an immense pleasure in inviting you to the city of Nawabs at Goel Institute of Pharmacy and Sciences, Lucknow, to participate in the National Seminar on "Opportunities & Challenges in Research and Development of Natural Products" 2018.

Roop Chand Ramji Lal Educational Trust has set up an educational campus, comprising of Goel Institute of Technology & Management, Goel Institute of Higher Studies, Goel Institute of Higher Studies Mahavidalya, Seth M. R. Jaipuria School, Goel Campus and Goel Institute of Pharmacy & Sciences.

Goel Institute of Pharmacy & Sciences is affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow and runs D. Pharm., B. Pharm., M. Pharm. and Ph.D. courses with a team of well experienced highly qualified and dedicated faculty. Institute has carved out its own niche in various fields and our students have excelled in the university as well as competitive national level examinations. We believe in motivating the students to realize their own potential, analytical and ethical capabilities using up-to-date infrastructural facility in the campus to become globally competitive technocrats and worthy citizen of this great country, India.

OBJECTIVE

The prime objectives of Seminar are:

- To provide the platform for scientific community to interact on related innovation and recent trends.
- To develop scientific temper in the young generation.
- We look forward to all participants and speakers drawn from various states of India.
- We also take this opportunity to encourage young investigators for presentation of their research findings.
- To encourage all participants by presenting various prizes for the best presentation in oral as well as poster sessions.

CALL FOR PAPER

Faculty members of various institutes in Pharmacy, Ayurved and Medical institutions & other investigators are invited to make presentation during the Seminar. Original research paper and review on the above mentioned scientific theme will be accepted for the presentation. The screening committee would go through the abstract and will decide for their acceptance and rejection.

INSTRUCTION TO AUTHORS FOR PREPARING THE ABSTRACT

The abstract should be appropriately structured and complete with the subheadings- Title (bold and 14 font size), Authors, Address, Email id, Objective, Methods, Results, Discussion and Conclusion. The main body of abstract should not exceed 250 words. Abstract should be typed in single space with font "Times New Roman" and letter size 12 in the abstract. Research work based on abstract/presentation will be given priority.

The abstract can be submitted by email to: seminar@goel.edu.in

Last date for abstract submission: 15 March 2018.

For more detail about any query you may contact to: 09935614555, 09412573776.

TOPICS COVERED FOR SCIENTIFIC SESSION

- Lead compounds from natural products.
- Drug discovery through biomarker based therapeutic agents.
- Biological evaluation of natural products.
- Novel drug delivery systems in the development of herbal formulations.
- Recent analytical methods for the quality control of herbal products.
- Product development through biotechnology and plant tissue culture.
- Recent development in herbal cosmetics.
- Recent development in nutraceuticals.
